RESOLUTION ADOPTED UNDER ITEM NINE ON THE AGENDA

“To authorise the board of directors of Ebro Foods, S.A. to increase the capital, within a period of five years, up to the maximum amount stipulated in law, on one or several occasions, by such amount as the board may decide each time up to the legal limit, through the issuance of new voting or non-voting shares, ordinary or preference, including redeemable shares or shares of whatsoever other nature permitted by law, contemplating the possibility of issues not being fully subscribed. Further authorisation to suppress shareholders’ preferential subscription rights in those issues, pursuant to section 506 of the Corporate Enterprises Act, in this case capping the power to increase capital at 20% of the capital. Consequently, render null and void, as appropriate, the authorisation of the board granted at the Annual General Meeting held on 3 June 2015.

To authorise the board of directors, as extensively as may be required by law, to increase the capital in pursuance of section 297.1(b) of the Corporate Enterprises Act, within a period of five years from the date of this General Meeting and up to the maximum amount, corresponding to 50% of the company’s capital at the date of this authorisation. The capital may be increased on one or several occasions, in such amount

as the board may decide, through the issuance of new voting or non-voting shares, ordinary or preference, including redeemable shares or shares of whatsoever other nature permitted by law, with or without a share premium, consisting of the value of those shares, in monetary contributions. The Board may also set the terms and conditions of the capital increase, establishing among others the par value of the shares to be issued, their properties and any privileges they may confer upon their holders, the right to redemption and conditions thereof, and exercise thereof by the company.

To authorise the Board to suppress the right of preferential subscription pursuant to section 506 of the Corporate Enterprises Act for any share issues made hereunder, although if that power to eliminate the preferential subscription right is exercised, the authorisation to increase the capital will be limited to 20% of the company's capital on the date of this authorisation, as per the good governance recommendations.

To further authorise the Board to freely offer any shares not subscribed within the period(s) of preferential subscription, when granted, and to establish that, in the event of incomplete subscription, the capital will be increased by the amount of the shares actually subscribed, pursuant to section 311 of the Corporate Enterprises Act, and redraft Articles 6 (“Capital”) and 7 (“Shares”) of the Articles of Association accordingly.

To apply for admission to listing of any shares issued hereunder on the stock exchanges on which the company's shares are listed at the time of making each capital increase, subject to compliance with any applicable rules and regulations. For this purpose the Board is expressly authorised to delegate to one or several Board members to execute such documents and complete such actions as may be necessary for this purpose, including any action, statement or formality with any competent authority.

To further authorise the Board to delegate the powers it has been granted by the Board in respect of the foregoing resolutions, in favour of one or several members of the Board.

Approval of this resolution revokes and renders null and void the authorisation granted at the General Meeting held on 3 June 2015 under Item Thirteen on the agenda, which has not been exercised.

This resolution is adopted following a written report by the directors justifying the proposed resolution, approved at the board meeting held on 27 April 2016 in pursuance of sections 286 and 506 of the Corporate Enterprises Act. The report has been available for consultation by shareholders from the date of publication of the notice of call.”
