AUDITORS' REPORT ON FINANCIAL STATEMENTS

To the Shareholders of:
Ebro Foods, S.A.

We have audited the financial statements of Ebro Foods, S.A., which comprise the balance sheet at 31 December 2012 and the related income statement, statement of changes in equity, statement of cash flows and notes to the financial statements for the year then ended. The directors are responsible for the preparation of the Company's financial statements in accordance with the regulatory financial reporting framework applicable to the Company (identified in Note 2 to the accompanying financial statements) and, in particular, with the accounting principles and rules contained therein. Our responsibility is to express an opinion on the financial statements taken as a whole based on our audit work performed in accordance with the audit regulations in force in Spain, which require examination, by means of selective tests, of the evidence supporting the financial statements and evaluation of whether their presentation, the accounting principles and policies applied and the estimates made comply with the applicable regulatory financial reporting framework.

In our opinion, the accompanying financial statements for 2012 present fairly, in all material respects, the equity and financial position of Ebro Foods, S.A. at 31 December 2012, and the results of its operations and its cash flows for the year then ended, in conformity with the regulatory financial reporting framework applicable to the Company and, in particular, with the accounting principles and rules contained therein.

Without qualifying our audit opinion, it should be noted that, as required by Spanish corporate law, the Company's directors prepared separately consolidated financial statements for the year ended 31 December 2012 for the Group of companies of which Ebro Foods, S.A. is the Parent, in accordance with International Financial Reporting Standards as adopted by the European Union. On this same date we issued our auditors' report on the aforementioned consolidated financial statements, in which we expressed an unqualified opinion. The Group's main consolidated aggregates are disclosed in Note 1 to the accompanying financial statements.

The accompanying directors' report for 2012 contains the explanations which the directors consider appropriate about the Company's situation, the evolution of its business and other matters, but is not an integral part of the financial statements. We have checked that the accounting information in the directors' report is consistent with that contained in the financial statements for 2012. Our work as auditors was confined to checking the directors' report with the aforementioned scope, and did not include a review of any information other than that drawn from the Company's accounting records.
