AUDITORS' REPORT ON THE INFORMATION RELATING TO THE SYSTEM OF INTERNAL CONTROL OVER FINANCIAL REPORTING (ICFR) OF EBRO FOODS, S.A. FOR 2013

To the Directors of
EBRO FOODS, S.A.:

As requested by the Board of Directors of Ebro Foods, S.A. ("the Entity") and in accordance with our proposal-letter dated 20 September 2013, we have applied certain procedures to the accompanying "Information relating to the ICFR" of Ebro Foods, S.A. for 2013, which summarises the internal control procedures of the Entity in relation to its annual financial reporting.

The Board of Directors is responsible for adopting the appropriate measures in order to reasonably guarantee the implementation, maintenance and supervision of an adequate internal control system and for making improvements to that system and for preparing and establishing the content of the information relating to the ICFR system included in section F) of the accompanying Annual Corporate Governance Report.

It should be noted in this regard, irrespective of the quality of the design and operating effectiveness of the internal control system adopted by the Entity in relation to its annual financial reporting, that the system can only permit reasonable, but not absolute, assurance in connection with the objectives pursued, due to the limitations inherent to any internal control system.

In the course of our audit work on the financial statements and pursuant to Technical Auditing Standards, the sole purpose of our assessment of the internal control of the Entity was to enable us to establish the scope, nature and timing of the audit procedures to be applied to the Entity's financial statements. Therefore, our assessment of internal control performed for the purposes of the aforementioned audit of financial statements was not sufficiently extensive to enable us to express a specific opinion on the effectiveness of the internal control over the regulated annual financial reporting.

For the purpose of issuing this report, we applied exclusively the specific procedures described below and indicated in the Guidelines on the Auditors' Report on the Information relating to the System of Internal Control over Financial Reporting of Listed Companies, published by the Spanish National Securities Market Commission on its website, which establishes the work to be performed, the minimum scope thereof and the content of this report. Since the work resulting from such procedures has, in any case, a reduced scope that is significantly less extensive than that of an audit or a review of the internal control system, we do not express an opinion on the effectiveness thereof, or on its design or operating effectiveness, in relation to the Entity's annual financial reporting for 2013 described in the accompanying Information on the ICFR system. Therefore, had procedures additional to those provided for in the aforementioned Guidelines been applied or an audit or a review of the system of internal control over the statutory annual financial reporting been performed, other matters or aspects might have been disclosed which would have been reported to you.

Also, since this special engagement does not constitute an audit of financial statements and is not subject to the Consolidated Spanish Audit Law, approved by Legislative Royal Decree 1/2011, of 1 July, we do not express an audit opinion in the terms provided for in that Law.

The procedures applied were as follows:

1. Perusal and understanding of the information prepared by the Entity in relation to the ICFR system - disclosure information included in the directors' report - and assessment of whether this information addresses all the information required considering the minimum content described in section F, relating to the description of the ICFR system, of the ACGR form, as established in CNMV Circular 5/2013 of 12 June 2013.
2. Inquiries of personnel in charge of preparing the information detailed in point 1 above for the purpose of achieving: (i) familiarisation with the preparation process; (ii) obtainment of the information required in order to assess whether the terminology used is adapted to the definitions provided in the reference framework; (iii) obtainment of information on whether the aforementioned control procedures have been implemented and are in use at the Entity.
3. Review of the explanatory documents supporting the information detailed in point 1 above, including documents directly made available to those responsible for describing the ICFR systems. In this respect, the aforementioned documentation includes reports prepared by the Internal Audit Department, senior executives or other internal or external experts providing support functions to the Audit and Control Committee.
4. Comparison of the information detailed in point 1 above with the knowledge on the Entity's ICFR obtained through the procedures applied during the financial statement audit work.
5. Reading of the minutes taken at meetings of the Board of Directors, Audit and Control Committee and other committees of the Entity to evaluate the consistency between the ICFR business transacted and the information detailed in point 1 above.
6. Obtainment of the representation letter in connection with the work performed, signed by those responsible for preparing and formulating the information detailed in point 1 above.

The procedures applied to the Information relating to the ICFR system did not disclose any inconsistencies or incidents that might affect the Information.

This report has been prepared exclusively in the framework of the requirements of Spanish Securities Market Law 24/1988, of 28 July, amended by Sustainable Economy Law 2/2011, of 4 March, and by CNMV Circular no. 5/2013, of 12 June 2013, for the purposes of the description of the ICFR system in Annual Corporate Governance Reports.
