

## COMMITMENT TO THE DEVELOPMENT OF LOCAL COMMUNITIES

One of the main pillars of social responsibility action within the Ebro Group is ensuring the well-being and socio-economic development of the local communities directly related with our business activities.

Through the Ebro Foundation and its different companies, the company allocated over €2,280,000 to implementing this commitment in 2018. The Ebro Group and the Ebro Foundation have participated in projects created by different not-for-profit organisations and promoted and developed motu proprio initiatives of social and environmental interest.

The Ebro Group has not received any grievances or claims regarding possible negative impacts on the local communities in which it operates.

1. WELFARE PROGRAMMES IN FOOD AND NUTRITION

**Social assistance and school meal grants**

Our collaboration in this area has focused not only on monetary contributions to soup kitchens and social assistance organisations to buy food, but also on paying school meal grants for children at risk of social exclusion.

Some of these actions are described below:

**Seville**

- ▶ **San Juan de Acre soup kitchen**, run by Orden de Malta. This soup kitchen, promoted by the Andalusian Delegation of Orden de Malta, has served more than 310,000 meals over eight years with an average number of daily users of 564. It now provides important support for numerous families in the capital of Andalusia
- ▶ **San Vicente de Paul soup kitchen**, monetary contribution to buy food for the soup kitchen. In addition to the soup kitchen, it has other services such as hygiene, information and welfare guidance, etc. They assist 350 people on average a day.
- ▶ **San Juan de Dios soup kitchen in Seville**: monetary contribution to buy food for the soup kitchen and to deliver food to persons in need. The soup kitchen, open from Monday to Friday, is able to provide meals for 120 people a day. In 2018, the soup kitchen served 17,329 meals and assisted 533 people (30% women and 70% men). Food is handed out to families with dependent children and/or elderly, previously assessed by the centre's social worker, establishing food deliveries according to the number of members of each family unit. They are given food once or twice a month. The number of deliveries rose in 2018, from 1,266 deliveries in 2017 to 1,646 deliveries of food in 2018, assisting 190 families each month equivalent to 665 individuals benefiting from this service. Overall, some 96,695 kg of food has been handed out over the year.
