

**TO THE NATIONAL SECURITIES MARKET COMMISSION**

Madrid, 6 September 2017

**Subject: Purchase of 52% of Geovita.**

You are hereby informed that Ebro Foods, S.A. has executed the acquisition of the 52% of the capital of the Italian companies Geovita Functional Ingredients, S.r.l and its subsidiary Geovita Nutrition, S.r.l. (together, "**Geovita**").

Geovita is a leader company in the production and marketing of quick & instant legumes, rice and grains, with highly innovative solutions.

Geovita has three production plants, all of them in Italy, in Bruno, San Giovanni Lupatoto and Villanova Monferrato, with 94 employees.

The purchase cost is €16.5 million.

This acquisition is part of the Ebro Group's growth strategy in the Convenience and Healthy Food segment and demonstrates Ebro's commitment to offering and promoting a healthy food and lifestyle, in which legumes play a very important role.

Yours faithfully,

Luis Peña Pazos  
Secretary of the Board
