Ethics and Integrity

The company is governed by the Ebro Foods Group Code of Conduct and the Internal Code of Market Conduct.

EBRO FOODS GROUP CODE OF CONDUCT

Approved by the Board of Directors of Ebro Foods, S.A., the Group's Code of Conduct (hereinafter COC) provides guidance on how to act in the internal and external relationships of the people and companies making up the group headed by Ebro Foods, strengthening our hallmark values and establishing a basic reference to be followed by the people and companies of the Ebro Foods Group.

The COC is a key element within the crime prevention model implemented in the Ebro Foods Group, so it is important that it be known and observed by all those persons within its scope.

The COC also lays down the guidelines for relations with the Group's stakeholders: shareholders, professionals, consumers, customers, suppliers, competitors, authorities and markets in general.

All those falling within the scope of application of the Code, as per point 4 thereof, are bound to comply and contribute towards compliance with it. Nobody, regardless of their position within the Group, is authorised to require a person bound by the Code to breach its provisions. No relevant person may justify any malpractice or conduct infringing the COC alleging an order from a superior or ignorance of its contents.

In this regard, any person bound by the Code may report any default or infringement of any of its principles, under a guarantee of absolute confidentiality.

A reporting channel is established for this purpose, as follows:

- Reports or complaints may be sent by e-mail to: canaldedenuncias@ebrofoods.es
- Access to that e-mail account, technologically protected to prevent any unauthorised access, is limited exclusively to the Chairman of the Audit and Compliance Committee who, as an independent director, has no relationship with the Group management.
- According to the contents of the report, the Chairman of the Audit and Compliance Committee may obtain the appropriate information and make the necessary consultations to clarify the issue, guaranteeing at all times the absolute confidentiality of the reporter and not informing the reported person or persons until the investigation has concluded.
- The Chairman of the Audit and Compliance Committee will keep in touch with the reporter, informing them of the enquiries made and the final outcome and consequences.

→ The Chairman of the Audit and Compliance Committee will in all cases establish the order of priority and process, investigate and resolve reports according to their importance and nature, paying special attention to those concerning a possible financial or accounting fraud and possible fraudulent activities.

The full text of the Code of Conduct and the guidelines laid down for its implementation and application are available for consultation by any of our stakeholders through the corporate Intranet and the Group's website, within the Corporate Social Responsibility section: <https://www.ebrofoods.es/en/information-for-shareholders-and-investors/code-of-conduct/>.

The COC has been translated into the languages of all the countries in which the Group operates and has been signed by all the company's employees.

The Ebro Group is developing a multi-year ethical audit plan as a mechanism for monitoring and assessment of compliance. These audits will be made by an independent third party at both Group workplaces and at a sample of suppliers.

INTERNAL CODE OF MARKET CONDUCT

Approved by the Board of Directors of Ebro Foods, S.A., the Code is included in a process of actions taken by the Company within the framework of constant review of its internal regulations to adjust them to the legal provisions and CNMV criteria in place from time to time.

Its purpose is to establish a set of rules conforming to the laws and regulations in place from time to time, governing the conduct by the Company and the Relevant Persons in the different areas regulated in the Code, all relating to their actions in the security markets.

In this regard, Relevant Persons are:

- (i) Directors and Senior Executives, as well as the Secretary and Vice-Secretary of the Board
- (ii) External Advisers insofar as they are considered Insiders
- (iii) Members of the Compliance Unit
- (iv) Any person other than the former whenever so decided in specific cases by the Compliance Unit contemplated in the Code, in view of the prevailing circumstances in each case.

The Code is applicable to the following subject matter:

- (i) Trading in relevant securities
- (ii) Insider information and price-sensitive information
- (iii) Treasury stock
- (iv) Conflicts of interest

The full text of this Code is available for consultation by any of our stakeholders through the corporate Intranet and the Group's website, within the Corporate Governance section: <https://www.ebrofoods.es/en/information-for-shareholders-and-investors/corporate-governance/rules-of-conduct-on-stock-markets/>.
