Ethics and Integrity

The company is governed by the Ebro Foods Group Code of Conduct and the Internal Code of Market Conduct.

EBRO FOODS GROUP CODE OF CONDUCT

Approved by the Board of Directors of Ebro Foods, S.A., the Group's Code of Conduct (hereinafter COC) provides guidance on how to act in the internal and external relationships of the people and companies making up the group headed by Ebro Foods, strengthening our hallmark values and establishing a basic reference to be followed by the people and companies of the Ebro Foods Group.

The COC is a key element within the crime prevention model implemented in the Ebro Foods Group, so it is important that it be known and observed by all those persons within its scope.

The COC also lays down the guidelines for relations with the Group's stakeholders: shareholders, professionals, consumers, customers, suppliers, competitors, authorities and markets in general.

All those falling within the scope of application of the Code, as per point 4 thereof, are bound to comply and contribute towards compliance with it. Nobody, regardless of their position within the Group, is authorised to require a person bound by the Code to breach its provisions. No relevant person may justify any malpractice or conduct infringing the COC alleging an order from a superior or ignorance of its contents.

The Group shall progressively take such measures as may be considered necessary from time to time to enforce all the values, principles and rules set out in this Code, circulating it among all relevant persons and solving any queries or uncertainties regarding its application.

The Audit, Control and Sustainability Committee is responsible for monitoring and controlling application of the Code, assisted by the Compliance Unit.

The Audit, Control and Sustainability Committee shall report regularly to the Ebro Foods Board of Directors on any queries raised in respect of the interpretation and application of the Code of Conduct, how they have been solved, the level of compliance with the Code and any incidents related therewith or infringements thereof.

In this regard, any person bound by the Code may report, under a guarantee of absolute confidentiality and, in some cases, anonymously, any default or infringement of any of the principles set out in this Code and, in general, any actions that may be considered evidence of irregular activity. Any relevant persons who detect any of those situations shall report it through the appropriate channels and abstain from taking any individual action to solve the incident.

For this purpose, a **Corporate Whistleblowing Channel** has been set up within the Internal Reporting System of the Ebro Foods Group and can be accessed through the company's website www.ebrofoods.es/en/.

- * Access to the Corporate Whistleblowing Channel is public and free of charge.
- * On receipt of a report, the System Administrator will decide, in accordance with the Policy on the Ebro Foods Internal Reporting System and Whistleblower Protection, on the appropriate Report Handling Procedure. The procedure determined will conform to the applicable internal rules.
- * Both the Ebro Foods Internal Reporting System and Whistleblower Protection and the Rules for handling Procedures are published on the Company's website www.ebrofoods.es/en/.
- * All reports of breaches of the Code of Conduct submitted through the Corporate Whistleblowing Channel are guaranteed application of the principles established in the Ebro Foods Internal Reporting System and Whistleblower Protection published on the Company's website www.ebrofoods.es/en/.

The full text of the COC and the guidelines established for its implementation and application are at the disposal of all our stakeholders through the Corporate Intranet and the Group's Corporate website, precisely in the section on Corporate Social Responsibility <https://www.ebrofoods.es/en/csr/csr-in-ebro/codes-and-policy/>.

The COC has been translated into the languages of all the countries in which the Group operates and has been signed by all the company's employees.

The Ebro Group is developing a multi-year ethical audit plan as a mechanism for monitoring and assessment of compliance. These audits will be made by an independent third party at both Group workplaces and at a sample of suppliers.

INTERNAL CODE OF MARKET CONDUCT

Approved by the Board of Directors of Ebro Foods, S.A., the Code is included in a process of actions taken by the Company within the framework of constant review of its internal regulations to adjust them to the legal provisions and CNMV criteria in place from time to time.

Its purpose is to establish a set of rules conforming to the laws and regulations in place from time to time, governing the conduct by the Company and the Relevant Persons in the different areas regulated in the Code, all relating to their actions in the security markets.

In this regard, "Relevant Persons" are:

- (i) Directors and Senior Executives, as well as the Secretary and Vice-Secretary of the Board.
- (ii) External Advisers insofar as they are considered Insiders.
- (iii) Members of the Compliance Unit.
- (iv) Any person other than the former whenever so decided in specific cases by the Compliance Unit contemplated in the Code, in view of the prevailing circumstances in each case.

The Code is applicable to the following subject matter:

- (i) Trading in relevant securities.
- (ii) Insider information and price-sensitive information.
- (iii) Treasury stock.
- (iv) Conflicts of interest.

The full text of this Code is available for consultation by any of our stakeholders through the corporate Intranet and the Group's website, within the Corporate Governance section: <https://www.ebrofoods.es/en/information-for-shareholders-and-investors/corporate-governance/rules-of-conduct-on-stock-markets/>.
